

Satyakam Jankalyan Samiti, Chhinwara (m.p.)

Regd.NO.4/17/01/09146/06

Non government Organization Registered under the societies Registration Act

For the financial year 2015&2016

Introduction-

1) Health rights and entitlements of socially excluded people specially women under NRHM

SJKS is giving information about health, education, livelihood and nutrition related issues and health facilities under NRHM to very poor people, persons with disability, adolescent girls & women and children of marginalized community- ST, SC, Muslim under PACS project and with support of PACS and Swadhikar network we are working in 60 villages of Amarwada and Mohkhed block under NRHM guidelines to raise health issues of marginalized communities, so that they can access health services provided by government. Following activities were conducted in selected villages during PACS project –

20 Village health micro plans were developed in 20 villages of Amarwada and Mohkhed block (Amarwada- Badeghaon, Ghatpipariya, Guraiya, Khamiheera, Kubadi, Lachhua, Mandangarh, Chimaua, Patania, Sagoniya. Mohkhed- Badgona, Buchnai, Chikhalikala, DongarTemni, Lonia, Gadarwada, Pradhanghoghri, Salaiyakala, Salaiyakhurd, Simariyakala) of Chhindwara district under decentralization process during PACS project. Socially excluded people of marginalized communities, HAG members and PACS team of SJKS developed these VHMP (Village Health Micro Plans) with health service providers, what included issues related with health department, women and child development department, PHE department and Panchayat. These plans were accepted by Gram sabha and included into work plans of gram panchayats.

These plans were given to CHMO (Chief Health Medical Officer) of Chhindwara district and requested to add these plans into district PIP. He appreciated and accepted the request of community and instructed the DPM of Chhindwara to view these plans and take actions for the same.

2) CBM (Community Based Monitoring) with MHRC (Maternal Health Rights Campaign) CHSJ (Center of Health and Social Justice)

Maternal Health Rights Campaign was run in 60 villages of Amarwada and Mohkhed block of Chhindwara District to aware dalit, Aadiwasi, Muslim and poor girls and women about health facilities and rights, so that they can have access to discrimination free and qualitative maternal health services. Aanganwadi workers and other health service

providers were sensitized to work under framework of NRHM. The objective of this campaign was to decrease the MMR and IMR.

To understand the condition of services and facilities of maternal health and implementation of maternal health related schemes we have conducted CBM (Community based monitoring) through formats in 2016 under MHRC in Chhindwara and shared the information collected with government through public dialog in Bhopal. As well as we gave demand letter to government and did advocacy to determine the quality service and facilities of maternal health.

3) HRLN (Human Rights Law Network)

Satyakam Jankalyan Samiti, provided comprehensive human rights training with a focus on reproductive and sexual health and rights with adolescents (14-25) from Scheduled Tribes communities in Tamiya and Mohkhed Block with support of HRLN (Human rights Law Network) Delhi. The goal of is project is to use Public Interest Litigation and capacity building to increase effective implementation of Adolescent Reproductive and Sexual Health (ARSH) facilities in Chhindwara District.

100 adolescent girls and boys of ST community were trained from Junapani Gram Panchayat of Mohkhed Block and Patalkot of Tamiya Block of Chhindwara District.

4) PAIRVI

SJKS has conducted a study on Primitive tribe Bharia community in 12 villages of Patalkot in Tamiya block of Chhindwara district. Bharia tribe is one of the Primitive Tribal Groups of Madhya Pradesh and confined to the regions of Patalkot valley. Mainly depends on the forest produce for their livelihood. Population of Bharia community is continuously decreasing therefore a number of government efforts are being done to save the tribes. For example Bharia Development Authority is working for the welfare of the community. The main goal of the study is to delineate the issues related to the living status, access to basic amenities and government run schemes, and vulnerability of the Bharia community in Patalkot region, a dense forest and hill area in Chhindwara district of Madhya Pradesh.

5) Samarthan Social Audit-

SJKS has done Social Audit in 50 Gram Panchayats of Bichhusa block of Chhindwara district with M.P. social audit samiti and Samarthan Sansthan of Bhopal through Special Gram sabha in each Gram Panchayat to evaluate the works under MNREGA, A scheme of Central government of India. Then Block level public hearing was organized to solve the issues rose during the special GramSabha. District level official participated in the hearing.

MNREGA Campaign-

SJKS is running MNREGA campaign with Samarthan Santhan, Bhopal under IBP in Junapani, Pradhan ghogari, Tiwada kamth and Khunajhir khurd GramPanchayats of Mohkhed Block of Chhindwara district. The main goal of this project is to create better conditions for MNREGA work in Villages and to strengthen the voice of worker under MNREGA so that they can raise their issues related with MNREGA work and delay payment. During this campaign Rojgaar diwas were organized at Village level to spread awareness about MNREGA, capacity building of MNREGA workers was done to strengthen their knowledge about provisions of MNREGA Act, motivation of community to demand for work.

6) Various Skill development Training Programs

Skill development program was conducted in villages of Amarwada and Mohkhed Block of Chhindwara district to make poor, widow, singal women and girls self dependent.
