Work done by SJKS

- PACS- SJKS is giving information about health related issues and health facilities under NRHM to very poor people, persons with disability, adolescent girls & women and children of marginalized community-ST, SC, Muslim under PACS project and with support of PACS and Swadhi kar network we are working in 60 villages of Amarwada and Mohkhed block under NRHM guidelines to raise health issues of marginalized communities, so that they can access health services provided by government.

MHRC – Maternal Health Rights Campaign was run in 60 villages of Amarwada and Mohkhed block of Chhindwara District to aware dalit, Aadiwasi, Muslim and poor girls and women about health facilities and rights, so that they can have access to discrimination free and qualitative maternal health services. Aanganwadi workers and other health service providers were senitized to work under fremwork of NRHM. The objective of this campaign was to decrease the MMR and IMR.
• **CHSJ** - We worked with CHSJ on issues of gender equality, sexuality, health, education, women’s rights and domestic violence in year 2014-2015, we aware the marginalized community living in remote and hilly area of Tamiya, Amarwada and Mohkhed block of Chhindwara District through discussions in community meetings at Village level.

• **MAE** – We are working on issues of Gender Equality, women’s rights and Domestic violence with Men’s Action for Equity (MAE) and Center for Health and Social Justice (CHSJ) SJKS run national campaign on men’s responsible role as Father in Child rights Protection through responsible fatherhood campaign in selected 40 villages of the block Amarwada and Mohked, whereby could become a place of women in society in tribal and difficult areas of Chhindwara district.

• **AIDMAM** – We are working for rights of dalit women in 60 villages of Amarwada and Mohkhed block of Chhindwara District with support of All India Dalit Mahila Adhikar Manch (AIDMAM). We support through advocacy and public hearing on issues of harassment, violence and atrocities with dalit women by upper caste people. This campaign is conducting to fight with these malpractices of society so that dalit women can live a life with dignity and demand their rights. The main goal of this campaign was betterment of dalit women’s place in society.

• **HRLN** – An IPL was filed in Jabalpur High court for compensation of sterilization fail cases of Dalit and Muslim women in Amarwada and Mohkhed Block of Chhindwara district. SJKS is trying to draw attention of government to irresponsibility in health facilities and services provided by government and victims of sterilization fail cases might get full compensation. Satyakam Jankalyan Samiti, provided comprehensive human rights training with a focus on reproductive and sexual health and rights with adolescents (14-25) from Scheduled Tribes communities in Tamiya and Mohkhed Block with support of HRLN (Human rights Law Network) Delhi. The goal of is project is to use Public Interest Litigation and capacity building to increase effective implementation of Adolescent Reproductive and Sexual Health (ARSH) facilities in Chhindwara District. 100 adolescent girls and boys of ST community were trained from Junapani Gram Panchayat of Mohkhed Block and Patalkot of Tamiya Block of Chhindwara District.
